Abstract: Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions to make financial reports to the NCUA. Section 741.5 prescribes the method in which

federally insured credit unions must submit this information to the NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through the NCUA's online portal, CUOnline.

The financial and statistical information is essential to the NCUA in carrying out its responsibility for supervising federal credit unions. The information also enables the NCUA to monitor all federally insured credit unions with National Credit Union Share Insurance Fund (NCUSIF) insured share accounts.

OMB Number: 3133-0202.

Title: Proof of Concept Application (POC) for New Charter Organizing Groups.

Abstract: The Office of Credit Union Resources and Expansion (CURE) is responsible for the review and approval of charter applications submitted by organizing groups. CURE has implemented a charter modernization process to improve the quality of charter applications received. This will help ensure organizing groups submit a well-thought out, well-developed charter plan to minimize the back-and-forth communication and improve overall chartering processing times. CURE management implemented the Proof of Concept (POC) data collection through the CyberGrants system, which documents the four most critical elements for establishing a new charter. This is "Phase 1" of the process.

The purpose of this information collection is to identify the level of understanding an organizing group has before they make a formal charter application submission as prescribed by Appendix B to 12 CFR part 701 (12 U.S.C. 1758, 1759).

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 104.
